23rd Sunday in Ordinary Time

Many of life's most important lessons come through experience. We live and learn through our successes and mistakes, often discovering the truth about ourselves and others when we least expect it. Experience can open our eyes and our minds to a better understanding and a deeper appreciation of life. That insight can happen in an instant.

When Jesus cures the deaf and mute, it is not simply to restore them to health, but rather to lead them to faith. He opens their ears that they can hear the Gospel and He opens their mouths that they can proclaim what they have heard. Healing is never about Jesus showing His power. It is the power of God, restoring balance and wholeness so that the message of salvation is more apparent and experienced by those healed and by those who witness it.

In the Rite of Baptism for Children, the Church prays that the Lord will soon touch the child's ears to receive His word and the child's mouth to proclaim His faith. The experience of baptism changes life in an instant. By faith we are given the charge to be a witness, to grow in our understanding and love of God and to be the faithful disciples of the Lord. It is an instant in time where we are put on the path to eternity. ~James Gaffney @ PilotBulletins

He has done all things well. He makes the deaf hear and the mute speak.

HOLY YEAR 2025 PILGRIMAGE

Pope Francis has announced 'Pilgrims of Hope' is the theme for the Holy Year 2025. A Holy Year, or Jubilee, is a time of pilgrimage, prayer, repentance, and acts of mercy, based on the Old Testament tradition of a Jubilee Year of rest, forgiveness, and renewal.

Bishop Joseph C. Bambera will lead a Pilgrimage to Italy and Rome from Aug. 31-Sept. 9, 2025, in celebration of the Holy Year. The trip will include a Papal Audience, Masses celebrated daily at various Basilicas and Cathedrals, a unique opportunity to visit the Scavi, a tour of the necropolis under St. Peter's Basilica culminating at the tomb of St. Peter, and much more.

A Help Button Should Go Where You Go!

To be truly independent, your personal emergency device needs to work on the go.

MobileHelp® allows you to summon emergency help 24 hours a day, 7 days a week by simply pressing your personal help button. Unlike traditional systems that only work inside your home, a MobileHelp medical alert system extends help beyond the home. Now you can participate in all your favorite activities such as gardening, taking walks, shopping and traveling all with the peace of mind of having a personal alert system with you. MobileHelp, the "on-the-go" help button, is powered by one of the nation's largest cellular networks, so there's virtually no limit to your help button's range.

No landline? No problem! While traditional alert systems require a landline, with the MobileHelp system, a landline is not necessary. Whether you are home or away from home, a simple press of your help button activates your system, providing the central station with your information and location. Our trained emergency operators will know who you are and where you are located. If you're one of the millions of people that have waited for an alert service because it didn't fit your lifestyle, or settled for a traditional system even though it only worked in the home, then we welcome you to try MobileHelp. Experience peace of mind in the home or on the go.
