LIFE LINE SCREENING—YOU CAN AVOID A STROKE!

Do your legs ache after walking a short distance? If so, you may want to consider being screened for peripheral arterial disease (PAD), a condition in which the arteries that carry blood to the arms or legs become narrowed or clogged by plaque, slowing or stopping the flow of blood. Life Line Screening will bring this preventive health event that can assess one's risk of PAD through an ankle brachial index (ABI). PAD is closely linked to coronary artery disease and identifying PAD can also help prevent heart attack and stroke. We are pleased to host a screening on June 10th at St. Elizabeth Ann Seton Parish. Register for a Wellness Package which includes 4 vascular tests and osteoporosis screening from \$159 (\$149 with our member discount). Speak with the LLSA representative for more package options. All five screenings take 60-90 minutes to complete. Your health is in your hands, so call 1-888-653-6441 for more information or to pre-register.

Golfers can win performance prizes including a new car courtesy of Matt Burne Honda, Scranton. Several types of sponsorship packages, which are great advertising vehicles, are available. Call Mrs. Jackie Galvin, director, at 343-4065, ext 3144, or email: scdevelopment@littlesistersofthepoor.org All proceeds benefit the Little Sisters in their mission of caring for the elderly poor with respect, dignity, and love.
