GIRL SCOUT GOLD AWARD PROJECT --A BOX IS PLACED IN THE CHURCH VESTIBULE FOR DONATIONS:

Mural for mental health awareness, spreading female positivity in high school. "Hello, my name is Brooke Plucas, a senior at Holy Redeemer High School and an altar server of many years at our parish. I am going into my last year of Girl Scouts with my Gold Award Project coming up soon. My idea for it was to paint a mural in the girls' bathroom at my school to show and support female positivity in the best ways. To let girls have a moment to walk in somewhere and get a second to breathe and remember their worth. I am looking for donations of the following items: **ACRYLIC PAINTS, PAINT BRUSHES, PAINT SPONGES, GLOVES, CLOTHS TO COVER THE GROUND.** Anything on the order of these items will be greatly appreciated and every single thing matters and counts. Thank you so much for your support. Any questions, call 570-371-8499

A Help Button Should Go Where You Go!

To be truly independent, your personal emergency device needs to work on the go.

MobileHelp® allows you to summon emergency help 24 hours a day, 7 days a week by simply pressing your personal help button. Unlike traditional systems that only work inside your home, a MobileHelp medical alert system extends help beyond the home. Now you can participate in all your favorite activities such as gardening, taking walks, shopping and traveling all with the peace of mind of having a personal alert system with you. MobileHelp, the "on-the-go" help button, is powered by one of the nation's largest cellular networks, so there's virtually no limit to your help button's range.

No landline? No problem! While traditional alert systems require a landline, with the MobileHelp system, a landline is not necessary. Whether you are home or away from home, a simple press of your help button activates your system, providing the central station with your information and location. Our trained emergency operators will know who you are and where you are located. If you're one of the millions of people that have waited for an alert service because it didn't fit your lifestyle, or settled for a traditional system even though it only worked in the home, then we welcome you to try MobileHelp. Experience peace of mind in the home or on the go.
