HAPPY ANNIVERSARIES!

Today, June 30th, is Father Joe's 18th Anniversary of his ordination to the Priesthood. Happy Anniversary, Father Joe! May God bless you always! Also, today, we want to wish Deacon Jack & Karen a Happy 46th Wedding Anniversary. Congratulations!

13th Sunday of Ordinary Time

Parents often start to feel old when they realize their kids are growing up and way too fast! One young father said that when he realized his son was 'already 10,' he felt that he had to rush to get in all the things he wanted to teach his son before he left home for college—and for good. There is an urgency to live and act now, to do what is needed before it's too late.

There is urgency to the message of Jesus. The time of conversion is now. The Kingdom is at hand. Repent. Believe. Follow. Rejoice. Do not fear. It is a moment of decision, a choice to follow the Lord, to be His disciple and to live faith. The only possible response to the Word is a word of belief and of faith.

We don't often think of faith as being urgent. Somehow there is always next Sunday, next Lent, or next Christmas to do what we need to do to practice, strengthen, or deepen faith. We make good intentions, even have great desire to be faith-filled people, but somehow we never quite get around to it until we are 'suddenly' facing a crisis of faith. Don't wait! Today, this moment is the time to act. We have heard His word. Now He waits for our response.

ONLINE GIVING

Is now available in association with

myEoffering

www.setonpa.com

WHAT IS myEoffering?
myEoffering is a service we've teamed up with to give you the ability to send your offerings online in the same way that many of you already pay bills and purchase products. We chose to use myEoffering because they are part of a trusted Christian family-owned company, who have been serving the needs of churches for nearly 100 years. Their product is solid, secure, easy, and convenient.

WHY SHOULD I USE myEoffering?
Many of you already pay for most of your purchases electronically, whether online or with a credit or debit card. So we have decided to offer this service as a convenience to you - you can stop writing checks or having to remember to bring cash every Sunday. Simply log in to our service and set up your offering. You can set the donations to match your pay periods, and even send your one-time donations to the special offerings we may have from time-to-time. This new service allows you to give any amount, at any time, from home or on the road, with your computer or even your mobile device. Now you can control how and when you give your tithes.

HOW DOES IT HELP?
Online giving is the future. In the lifetime of our young people, we will see electronic payments overshadow traditional methods of paper payments. In order to position ourselves to continue doing the work of God in the future and to make it as convenient as possible to be a cheerful giver to God's work, we have decided to offer online giving to you. In addition to easier access to giving and more engagement with young stewards, online offering has many benefits for the church. It allows us to more easily track contributions for budgeting. It saves us from manually tracking those contributions every week. It saves us from large fees on check processing and allows us to more accurately forecast expenditures and needs.

HOW DO I SIGN UP?
Signing up is as simple as going to our church website listed above and look for the green computer mouse icon. That button will take you to the myEoffering page for our church. Simply sign up and begin giving online today! Or scan the code to the right with your mobile device to get started now.
