LIFE LINE SCREENING—YOU CAN AVOID A STROKE!

Do you have high cholesterol or high blood pressure? Have members of your family suffered from these ailments? Do you have a poor diet? If you answer yes to any of these questions, you may want to consider being screened for your risk of stroke through the services of Life Line Screening. Life Line uses ultrasound technology to view the plaque build up in your carotid arteries, the main arteries that carry blood to the brain. Blockages in these arteries are a leading cause of stroke. We are pleased to host this Life Line Screening event on 6/10/2013 at St. Elizabeth Ann Seton Parish. Register for a Wellness Package which includes 4 vascular tests and osteoporosis screening from \$159 (\$149 with our member discount.) Speak with the LLSA representative for more package options. All five screenings take 60-90 minutes to complete. Your health is in your hands, so call 1-888-653-6441 for more information or to pre-register.

A **Bus Trip** is being held to the Hollywood Casino (Grantville, PA) on Wednesday, June 12th. Cost is \$25-Rebate \$30. For more info or to make reservations, call Joann Baker @287-3443 or Marie Urban @287-3110. Deadline for reservations is May 29.
