## *New Altar Servers Needed*

Boys and girls who have at least received 1st Holy Communion are invited to serve at God's table for weekend Masses. You can serve as little as once a month or more often if needed and you are available. Training is easy and fun. Call Lori at the office to sign up and an initial meeting will take place soon, before school starts we hope! Don't delay. Have a parent call today. Servers assist the priest & deacon at the altar by leading processions, holding the prayer books, helping prepare the gifts for the Eucharist, ringing the gong, and more. We could use some middle school & high school servers as well.

# ONLINE GIVING

*Is now available in association with*

 myEoffering

[www.setonpa.com](http://www.setonpa.com)

## WHAT IS myEoffering?

myEoffering is a service we've teamed up with to give you the ability to send your offerings online in the same way that many of you already pay bills and purchase products. We chose to use myEoffering because they are part of a trusted, Christian family-owned company, who have been serving the needs of churches for nearly 100 years. Their product is solid, secure, easy, and convenient.

## WHY SHOULD I USE myEoffering?

Many of you already pay for most of your purchases electronically, whether online or with a credit or debit card. So we have decided to offer this service as a convenience to you - you can stop writing checks or having to remember to bring cash every Sunday. Simply log in to our service and set up your offering. You can set the donations to match your pay periods, and even send your one-time donations to the special offerings we may have from time-to-time. This new service allows you to give any amount, at any time, from home or on the road, with your computer or even your mobile device. Now you can control how and when you give your tithes.

## HOW DOES IT HELP?

Online giving is the future. In the lifetime of our young people, we will see electronic payments overshadow traditional methods of paper payments. In order to position ourselves to continue doing the work of God in the future and to make it as convenient as possible to be a cheerful giver to God's work, we have decided to offer online giving to you. In addition to easier access to giving and more engagement with young stewards, online offering has many benefits for the church. It allows us to more easily track contributions for budgeting. It saves us from manually tracking those contributions every week. It saves us from large fees on check processing and allows us to more accurately forecast expenditures and needs.

## HOW DO I SIGN UP?

Signing up is as simple as going to our church website listed above and look for the green computer mouse icon. That button will take you to the myEoffering page for our church. Simply sign up and begin giving online today! Or scan the code to the right with your mobile device to get started now.
