Jackie Angel Fr. Giuseppe Maria Siniscalchi, CFR Rev. Justin Cinnante, O.Carm.

Women from around the Diocese of Scranton gather on Saturday, June 8, 2024 at Marywood University for the Annual **Refresh Your Faith Catholic Women's Conference**. The day includes Mass with Bishop Bambera, continental breakfast, Catholic Marketplace, 3 Keynote speakers, rosary, Eucharistic adoration, music and lunch. Register for only \$55, students \$20.

You'll be inspired by this year's speakers. *Father Justin Cinnante, O.Carm.* brings in the truth of the real presence in the Holy Eucharist and the miracles he has seen!! *Jackie Francois Angel* loves being part of the Body of Christ. She fell in love with God at a youth retreat, and now is a full-time traveling speaker, singer/songwriter, and worship leader. *Father Giuseppe Maria Siniscalchi, CFR* gave up a career in law to follow his vocation. He will shine great light on the importance of the Eucharist for our times, the link between the Eucharist and the Gifts of the Holy Spirit, and the healing journey into God's Merciful Love.

Just added: Special programming Friday night, June 7 – with accommodations at Marywood University.

VOCATIONS “Receive the Holy Spirit.” Is the Holy Spirit preparing you to share the Lord’s mission as a priest or religious brother or sister? Talk to your priest or reach out to the Vocation Office at 570-207-1452 or via email: info@dioceseofscranton.org

WORD OF LIFE “Without a foundational, practical formation, it is difficult for our consciences to guide us well in concrete situations. As Catholics, we have the immense gift of the teaching authority of the Catholic Church and can turn to it for help forming our consciences. For example, learning about Christian moral principles, reading the *Catechism of the Catholic Church*, or researching what the Church says about a challenging teaching will help us grow in knowledge of the truth.” **USCCB Secretariat of Pro-Life Activities, “Understanding Conscience”**

A Help Button Should Go Where You Go!

To be truly independent, your personal emergency device needs to work on the go.

MobileHelp® allows you to summon emergency help 24 hours a day, 7 days a week by simply pressing your personal help button. Unlike traditional systems that only work inside your home, a MobileHelp medical alert system extends help beyond the home. Now you can participate in all your favorite activities such as gardening, taking walks, shopping and traveling all with the peace of mind of having a personal alert system with you. MobileHelp, the "on-the-go" help button, is powered by one of the nation's largest cellular networks, so there's virtually no limit to your help button's range.

No landline? No problem! While traditional alert systems require a landline, with the MobileHelp system, a landline is not necessary. Whether you are home or away from home, a simple press of your help button activates your system, providing the central station with your information and location. Our trained emergency operators will know who you are and where you are located. If you're one of the millions of people that have waited for an alert service because it didn't fit your lifestyle, or settled for a traditional system even though it only worked in the home, then we welcome you to try MobileHelp. Experience peace of mind in the home or on the go.
